The Sixth International Conference on
Emerging Techniques In Computational Intelligence

AUGUST 19-22, 2026 | Hyderabad, India | www.ietcint.com

Mahindra™ University
Global Thinkers. Engaged Leaders.

Applied for Technical Co – Sponsorship of IEEE Computational Intelligence Society

Call for Papers:

The Sixth International Conference on Emerging Techniques in Computational Intelligence, ICETCI 2026 will be held at Mahindra University, Hyderabad on Aug 19-22, 2026. This aims to highlight the evolution of topics, frontline research and multiple applications, in the domain of Computational Intelligence from the mainstream foundations to novel investigations and applications. The Conference comprises of a total of four days, out of which the first two days will be a Workshop, followed by two days of Keynote Lectures by invited international experts from Industry and Academia, and technical paper presentations. Also, the conference hosts several special sessions on emerging technologies and applications in computational intelligence. The Conference is supported by industry relevant sessions during the Workshop, conducted by various organizations.

ICETCI 2026 invites submissions that are original, previously unpublished innovative work in any area of Computational Intelligence, both emerging topics which form the theme of the conference as well as more foundational areas.

There will be several Keynote speeches by internationally acclaimed specialists

International Steering Committee:

Kalyanmoy Deb, Michigan State University, USA

Yajulu Medury, Vice-Chancellor, Mahindra University, India

Simon See, NVIDIA, Global Head, Artificial Intelligence Division, Singapore

Arya Kumar Bhattacharya, Dean Research, Mahindra University

General Chairs:

Nikhil R. Pal, Former Prof. Indian Statistical Institute, Kolkata

Akira Hirose, Univ. of Tokyo, Japan

Technical Program Committee Chairs:

Neeraj Chowdhary, Mahindra University

Sou Nobukawa, CIT, Japan

Finance Committee Chair:

Yaminidhar Reddy Bhavanam, Mahindra University

Publications Committee Chair:

Krishna Chaitanya Bulusu, Mahindra University

Organizing Committee Chair:

Prafulla Kalapatapu, Mahindra University

Publicity Committee Chairs:

Kazuteru Miyazaki, NIAD – QE, Japan

Rahul Dass, Mahindra University

Nidhi Goyal, Mahindra University

Sai Kumar Tara, BVRIT, Hyderabad

Tilottama Goswami, VCE, Hyderabad

Dilip Singh Sisodia, NIT Raipur, India

Hitendra Sarma T, Vasavi College of Engineering, India

Yayati Gupta, Mahindra University, Hyderabad

Tourism and Hospitality Committee Chairs:

Aman Ifthekar, Mahindra University

Reetuparna Bhattacharjee, Mahindra University

IMPORTANT DATES

Special Session Proposal Deadline	**Feb 28, 2026**
Last Date for Paper Submission	**Mar 20, 2026**
Final Notification of Review Outcomes	**Jun 15, 2026**
Submission of Final Paper	**Jun 30, 2026**
Early Registration Deadline	**Jun 30, 2026**
Final Registration Deadline	**Aug 14, 2026**
Conference Dates	**Aug 19-22, 2026**

CONFERENCE TRACKS AND TOPICS

The conference will be organized along the following three tracks:

(I) Deep Learning

(ii) Sequence Modelling and

(iii) General Topics in Computational Intelligence

MODELS

- Neural Networks
- Evolutionary Algorithms
- Fuzzy Logic
- Rough Sets
- Bayesian Methods
- Reinforcement Learning
- Cognitive Learning
- Quantum Computing
- Learning Paradigms
- Memory Paradigms
- Reasoning Models
- Deep Learning
- Explainable AI
- Physics Informed Neural Networks
- Adversarial Machine Learning
- Game Theory
- Extreme Learning Machines
- Intelligent Agents
- Multi-Objective Optimization
- Unsupervised and Semi-supervised Learning
- Generative Models
- Large Language Models
- Hybrid Models

APPLICATIONS

- Natural Language Processing
- Computational Genomics
- Recommendation Systems
- Music Information Retrieval
- Generative Adversarial Models
- Blockchain
- Augmented & Virtual Reality
- Industry 4.0
- Cybersecurity
- Social and Crowd Computing
- Big Data Analytics
- Robotic Process Automation
- 5G/6G Communications
- Renewable Energy Systems
- Structural Health Monitoring
- Smart Cities
- Intelligent Transportation Systems
- Neuroscience
- Healthcare
- Graphical Models
- Climate Science
- Remote Sensing
- Computational Finance
- Computer Vision
- Sentiment Analysis
- Condition Monitoring & Control
- Autonomous Systems
- Creation of Art and Music

Special Sessions Chairs:

Om Prakash Patel, Mahindra University

Vinay Reddy, Mahindra University

Surekha Tetali, Mahindra University

Tutorials and Workshop Committee Chairs:

Hiroyuki Sato, UEC, Japan

Satish Chandra, Mahindra University

Nilotpal Chakraborty, IIIT Guwahati

Bipin Singh, Mahindra University

Sponsorship and Exhibition Committee Chairs:

Gourav Saha, Mahindra University

Praharshita Krishna, Mahindra University

Keerti Pendyal, Mahindra University
